

BREN & CHERYLWHITE

MISSIONARIES TO THE FRENCH-SPEAKING WORLD

Bren & Cheryl in Colmar, France

Since 1965, God has involved Bren in French mission work. For the past 30 years, he and Cheryl and family have had some kind of involvement in missions; and for the past 12 years they have been working full-time in French mission work. In an effort called **'OPERATION FRENCH WORLD'** (OFW/MISSION 1), their special focus has been on training God's people for HIS MISSION, and helping to start new congregations in *France, Quebec, the French West Indies & the USA*. They have also indirectly helped to start congregations all across French Africa. They are currently in the process of helping French Christians to start new churches in *Colmar, France, La Rochelle, France, Nice, France and Baie St. Paul, Quebec*. Over the years, Bren has helped to train mission teams for France and Africa, and has encouraged, taught and resourced Evangelists and Christians in over 65 countries. *By God's grace and power*, these efforts to share the Good News on 3 continents have yielded fruit: *many souls have been baptized into Christ, many have been trained for God's Great Mission, a number of churches have been started, and solid spiritual leaders are actively being developed.*

The Whites are currently ***in need of your partnership in this growing work.*** *If you would like to help the Whites in any way, please contact them at ofwmissions@comcast.net or directly send a gift to the address below.*

The Castle Rock Church of Christ oversees this excellent work. *All tax-deductible gifts for the Whites can be sent payable to:*
